- SSC First class with distinction (88%) in Z.P.P. High School Murari, Gandepalli Mandal.

TOOLS ND TECHNOLOGIES

Test Environment : DSpace based LABCAR, HIL
DSpace Tools : Automation Desk, Control Desk
Configuration Management : DOORS, PTC, Clear Case

• Hardware : Braking ECUs

Protocols : CAN ISO 11898-1, ISO-TP15765-2

Operating System : Windows7/8/10.

Professional Experience:

• Currently working with **TATA Consultancy Services** since April 2021.

Job Functions:

- Testing of Braking ECUs of multiple OEM's
- Analysis of OEM requirements and preparing test procedures to test requirement coverage (Test specification, Test Casedevelopment)
- Execution of tests on HIL Setup (DSpace based LABCAR)

- Analysis of test results
- Root cause analysis for identified defects
- CAN testing on automated setups
- Network Management Testing for verifying ECU sleep and wake-up behavior
- Training new members of the team
- Simulating failures of sensor's connected to the ECU to validate ECU behavior.

Roles and Responsibilities

- Analyzing Requirements
- Developing Test cases for requirement testing
- Executing Test Cases
- HIL Hardware setup team member for maintenance testing.
- Identifying and reporting errors and defects which resulted in failures.

PERSONAL INFORMATION:

Name : Lakshmisravya Bejagam Fathers Name : Ramarao Bejagam

Marital Status : Married Nationality : Indian

Languages Known : English, Telugu, Hindi.

Permanent Address : D.no: 1-228, Market street, Dulla, Kadiyam Mandal, East

Godavari dist, Andhra Pradhesh - 533234
